**Catholic Rural Life** (ISSN 1089-6570) is published by the National Catholic Rural Life Conference for its members. The National Catholic Rural Life Conference is a membership organization grounded in a spiritual tradition which brings together the Church, care for creation and care for community. As an educator in the faith, the NCRLC seeks to relate religion to the world; develops support services for rural pastoral ministries; serves as a prophetic voice and as a catalyst and convener for social justice.
